this book seeks to review bible prophecy related to the end times in a consistent manner resisting the liberties taken in so many works on prophecy common theories such as so called gap theory and a future rebuilt jewish temple are nowhere mentioned in scripture daniel asserts some prophecy was to be sealed until the very end times attempts to understand this prophecy prior to the end times would necessarily be fruitless no matter how sincere the student the unsealing of this prophecy is not to the credit of pastor colburn or any other theologian but rather to the time in history we now find ourselves

the book of daniel is a fascinating book many have tried to understand the context in these chapters up till the end of chapter 11 there has been some kind of agreement in the understanding of the prophecy from there until the very end of this book the most different aspects and interpretations can be found it seems interesting to dig into the scripture to read and study and ask the holy spirit for guidance and revelation maybe today is the day of god s revelation of the unsealed parts of the book of daniel
