ireland s freedom to seek examples and equipment worldwide has

created an interesting progression of uniforms illustrated in this study of Ireland's forces over 80 years

In 1828 the Mary Russell sailed into Cork harbour from the West Indies. Seven crewmen lay in the main saloon brutally murdered by the captain. His trial was a sensation as survivors revealed a tale of danger and delusion but what really happened. This gripping account unravels the bizarre tragedy and its dramatic court case as well as the place it occupies in history and folklore.

Despite the many celebrated victories of the British Army during the Napoleonic Wars, the role of the Royal Navy should never be overlooked.

Salamanca was the most decisive battle of the entire Peninsular War. This detailed illustrated volume recounts its progression alongside full colour maps and illustrations. Wellington smashed Marmont's French army and his pursuit of its shattered remnants led to the famous cavalry charge of the King's German Legion at Garcia Hernandez. There would be two more years of sieges and hard fighting before the Iron Duke crossed the Pyrenees into France. But from Salamanca the British and their Portuguese and Spanish allies always had the upper hand. Ian Fletcher examines this important battle in detail and also discusses the campaign which led up to it.

Badajoz 1812 analyses the storming of Badajoz which involved Wellington's infantry in some of the most savage hand-to-hand fighting of the whole Peninsular War at appalling cost. In a nightmare assault during the night of the 6 April 1812, Wellington's soldiers hacked their way over the bodies of their dead and wounded and through the huge medieval walls of the town. These were held with great tenacity, skill and courage by a resolute French and German garrison. Having stormed the town, the battle-crazed army went berserk and the horrors of the sacking which followed as much as the sublime courage of the attackers have passed into legend.

A comprehensive reference resource on the uniforms, dress, flight gear and personal weaponry of the Imperial Japanese Navy airmen of World War II.

The political situation in Ireland at the beginning of the 20th century was characterised by crisis and change. Armed rebellion against the British Crown, the prosecution of the Anglo-Irish War, the emergence of the Irish Free State and the eruption of the Civil War over the Treaty with Great Britain ensured that the birth of the modern Irish nation was bloody and difficult. This

book details the life of an average volunteer and includes the experiences of internment the lack of established medical facilities for wounded life on the run discipline and typical duties
