the bastard is back england s legendary street level sorcerer has returned to his grimy roots with a second lease on life which leaves him with just one question how the hell did that happen brutally retrieved from a tangle of apocalyptic futures and outright insanity the working class magus finds himself restored to the haunted shadows of london where local gangsters are being shredded by terrifying entities their boss wants to hire constantine to help and without a penny to his name and with a gun in his face who is he to say no but this isn t an open and shut exorcism to put this madness back in its bottle john must work with the man who tried to replace him during his missing years and confront an impossible power with a horribly familiar face one of the dc universe s most iconic characters comes screaming and swearing back to the comics page in john constantine hellblazer vol 1 marks of woe courtesy of infernal talents simon spurrier aaron campbell matías bergara marcio takara and more collects the sandman universe presents hellblazer 1 john constantine hellblazer 1 6 and books of magic 14

john constantine is back in london back to his old tricks and just in time as things have become very dark indeed in his old stomping grounds a small time gang lord has found himself dealing with a big time outbreak of supernatural weirdness and without any allies to call on and nothing left to call his own john doesn t have much choice in taking a paycheck from one of london s worst or

accepting the help of one of the gang lord s would be foot soldiers but what should be an open and shut exorcism turns out to be nothing but and the madness is just getting started collects the sandman universe presents hellblazer 1 john constantine hellblazer 1 6 and books of magic 14

a part of dc universe rebirth john constantine the hard hearted hellblazer returns home to london to face an impossible choice live an immortal life bonded to a demonic curse or shift that curse to eight million people killing each and every one of them what to do what to do the hellblazer is back in the first volume of the continued story of one of dc s most iconic and long lasting characters by writer simon oliver fbp with art by moriat the spirit collects the hellblazer rebirth 1 and the hellblazer 1 6 rebirth honors the richest history in comics while continuing to look towards the future these are the most innovative and modern stories featuring the world s greatest superheroes told by some of the finest storytellers in the business honoring the past protecting our present and looking towards the future this is the next chapter in the ongoing saga of the dc universe the legacy continues

since his introduction in 1985 s swamp thing 37 cynical occult detective con man john constantine stands as one of dc s most uniquely popular characters being adapted in film television and animation along with starring in some of the most celebrated stories in the comics medium now fans can revisit or experience for the first time his earliest solo adventures in the john constantine hellblazer by jamie delano omnibus vol 1 collecting the first hellblazer stories from writer jamie delano and artists including john ridgway richard piers rayner stephen r bissette and more hellblazer helped usher in dc s seminal vertigo label and stands as the longest running series of that imprint and now the earliest stories of that era are available in the omnibus format alongside a host of extras

in these stories from hellblazer 239 249 when the war mage mako carves a bloody swath through london s occult underworld john constantine tries to rally his former allies despite all the bridges he s burned plus when something goes horribly wrong in a secret room in the vatican a priest is forced to turn to constantine for help and in a story from hellblazer special lady constantine 1 4 johanna constantine 18th century ancestor of hellblazer lands a job that promises a future of wealth and entitlement and almost certain death and damnation in the frozen north sea

after spending a year and a half wandering through the darkest corners of america john constantine has returned home his port of entry is liverpool where the decaying landscape and gentle undercurrent of despair match his frame of mind of course no sooner does he set foot upon his native land than he stumbles into a small time necromancy and murder ring centered on his own sister s apartment building more worrying than this sordid little power trip is the disappearance of his niece gemma who s turning out to be a bit too much like her uncle for anybody s good in her eagerness to learn the family trade gemma has

gone to london and fallen in with a bad crowd and pulling her out means that constantine will have to join the search for a distinctly nasty magical artifact one that shouldn't fall into anyone's hands least of all those of the man determined to find it critically acclaimed author mike carey kicks off his acclaimed run on england's legendary magus with john constantine hellblazer vol 16 the wild card collecting issues 175-188 of the signature vertigo series and featuring the fan favorite artistic talents of marcelo frusin steve dillon lee bermejo doug alexander gregory and jock

acclaimed author mike carey concludes his groundbreaking run on london's working class magus with john constantine hellblazer vol 18 the gift to restore his mind and save his life john constantine was forced to give a day of his life to a she demon named rosacarnis it was a bad bargain and one that he knew he'd regret but he had no idea how quickly everything would go straight to hell in its aftermath over the course of that single day england's savviest street sorcerer lived several lifetimes and sired three infernal offspring whose incandescent hatred of him was carefully nurtured by their mother luckily for constantine the blood he shares with his sulfurous brood makes it impossible for them to kill him outright unluckily his dwindling roster of friends and loved ones enjoy no such protection and now that war has been declared on all that john holds dear the lives and souls of his best friend his ex flame his niece and his sister are all fair game for the non-existent mercies of rosacarnis and her family can constantine defeat his progeny their mother and their all-powerful grandfather or will the so-called gift of fatherhood finally be the death of him collects issues 202-215 of the signature vertigo series and featuring the artistic talents of leonardo manco frazer irving giuseppe camuncoli and lorenzo ruggiero

john constantine knows the secrets of his native england like the back of his nicotine-stained hand unfortunately for him he's now a world away from that green and pleasant land constantine has returned to america and this time he's landed in the worst place imaginable a cell in a maximum security prison with a 35-year sentence for murder adapting to his new environs will require a steep learning curve but the world's greatest magician is nothing if not flexible in fact the question that his fellow inmates should be asking is not how this strange talking newcomer will endure being locked up with society's worst offenders but rather how they are going to survive the experience that's because constantine has a few more stops to make on his stateside tour and unlike his cellmates his journey begins in the joint rather than ending there but when he arrives in the rural town of doglick west virginia to make personal amends for his crime what he finds going on behind its closed doors shocks the famously world-weary sorcerer to his hardened cynical core acclaimed writer brian azzarello is joined by legendary artists richard corben marcelo frusin and steve dillon for a terrifying expedition into the darkest corners of the land of the free in john constantine hellblazer vol 14 good intentions collecting issues 146-161 of the signature vertigo series together with the nostalgic tale the first time from vertigo secret files hellblazer

as strange as it sounds seducing a 2 000 year old demon with a grudge isn t the riskiest stunt john constantine has ever pulled but tipping the supernatural scales for a chance at love will exact a cost higher than he ever thought possible and try as he might is this something that devil may care constantine can walk away from collects hellblazer 250 260 and hellblazer special chas the knowledge 1 5

acclaimed author mike carey continues his pivotal run on england s iconic antihero with john constantine hellblazer vol 17 out of season in his countless encounters with the forces of evil john constantine has had his share of double crosses near misses and narrowly averted disasters yet england s savviest street sorcerer has always managed to survive with both his mind and the world at large left mostly intact now he s about to make the biggest mistake of his magical life and every soul on earth will pay the price thanks to constantine s carelessness the beast of the apocalypse has slouched into london to be born and the minds of all humanity are at its mercy from the swamp thing to lucifer himself the hellblazer s allies and enemies alike are powerless to stop the slaughter in order to save the world constantine must sacrifice his own mind and all of the memories that go with it can he survive without the secrets of his own dark history and if so will the resulting life actually be a fate much worse than death this volume collects issues 189 201 of the signature vertigo series and features the all star artistry of marcelo frusin leonardo manco chris brunner and steve dillon

the human race is a vast herd one that john constantine separated himself from a long time ago the lonely path he s taken since then hasn t been an easy one but in the end it s probably been for the best given his notoriety as england s greatest street level sorcerer every tie that binds him to his fellow man is just another potential weapon for his infernal enemies to use against him self sufficiency however can all too easily shade into complacency a lesson that john forgets when a desperate stranger corners him in a bar and pleads for his help the simple spell he performs for his petitioner quickly ensnares the famed magician in a much larger web of ancient elemental magic and transfers his new acquaintance s crippling burden of universal empathy squarely onto his shoulders now constantine must wage war against not only the powerful magus responsible for this hellish curse but also the unfiltered emotions of an entire city typical for john s luck that city is glasgow scotland a world center for alcoholism depression and barely concealed rage celebrated crime novelist denise mina teams with acclaimed artists leonardo manco and cristiano cucina to feel each other s pain in hellblazer vol 19 the red right hand collecting mina s complete run on the series from issues 216 228 as well as the never before reprinted story with a little help from my friends from issue 229 by hellblazer emeritus author mike carey and guest artist john paul leon

in this volume england s favorite low rent mage skips town to avoid incarceration and heads to india but constantine s quest for purity in an attempt to resurrect

the love of his life is quickly interrupted when an expat friend gets him mired in a series of grisly murders then constantine reluctantly becomes embroiled with a group of anarcho punks who worship a powerful effigy of sid vicious plus discover the centuries long history of the king of voodoo and original hellblazer writer jamie delano returns to john constantine alongside superstar artist jock collects hellblazer 261 266 hellblazer special papa midnite 1 5 and the hellblazer pandemonium graphic novel

john constantine has been lots of things in the course of his long and lurid life a life spent uneasily balanced on the fault line between the everyday and the supernatural sorcerer chain smoker con man aging punk incorrigible bastard but a knight of the bloody round table that s a new one it s not as far fetched as it might seem however considering that all of england is quickly descending into an inferno of mystical chaos albion is burning and someone is breaking the bonds that have held the ancient isle together since the dawn of time dragon wizard demon whatever you call it the power of merlin has risen again and he s determined to take an immortal lifetime s worth of vengeance against god himself there s only one man who can stop him the legendary king whose soul is pledged to defend his realm throughout the ages no points for guessing who the unlucky sod is that has to dig him up legendary talents paul jenkins sean phillips charles adlard and warren pleece drag comics most notorious rogue kicking and screaming into the mists of avalon in hellblazer vol 11 last man standing collecting the never before reprinted issues 108 120 of the signature vertigo series and featuring the character s special 10th anniversary celebration bursting with special guests and capping off sean phillips s historic run on the title

in this new hellblazer collection john constantine comes to the aid of his downstairs neighbor a dimwitted epileptic giant whose home is haunted by a persistent ghost plus john s affinity with the supernatural spoils a soccer game when a demon that thrives on holloganism shows up and in the story difficult beginnings constantine must reconnect with the darker side of his own nature a journey that leads him to the most evil man in the world collects hellblazer 97 107

features the wrenching finale of paul jenkins s never before collected run on the title as well as garth ennis and john higgins s brutal five issue coda son of man for a man as cynical and jaded as john constantine there s only one kind of torment for which he is unprepared contentment but the fact is even though he recently cut off a piece of his soul and marooned it in hell to suffer for his sins things are actually going pretty well he s got a new girlfriend that he hasn t yet killed or damned or driven insane his surviving friends and family are by all accounts still alive and healthy and his enemies for the most part are either dead or trapped in some form of eternal torment not a bad score overall naturally this means that it s time for everything to go up in flames because when you re as prolific at making enemies as john constantine is there s always going to be a few

that you don't know about as well as one or two heavyweights who can afford to bide their time when the two meet it's best to get as far away as possible the collateral damage alone promises to be as deadly as it is indiscriminate collects hellblazer 121 133

it's been a long hard road that John Constantine has followed across the badlands of America after walking out of a burning maximum security prison into the hollows of Appalachia and through the snows of the Great Plains England's greatest magician is approaching the final leg of his intracontinental trek and closing in on the real reason for the suicide of Richard Lucky Fermin the trigger that set everything in motion to frame Constantine for murder to reach the end of this long and dangerous trail however he will have to pass through the bellies of two very different beasts first a nest of white supremacists in rural Montana where Fermin's widow has settled and then finally Los Angeles capital of an entire empire of decadence and home to the singularly American corruption that has hounded Constantine halfway around the globe legendary comics author Brian Azzarello concludes his acclaimed cross country saga with John Constantine Hellblazer Vol 15 Highwater collecting issues 162 174 of the signature Vertigo series and featuring stunning art from Marcelo Frusin Guy Davis Giuseppe Camuncoli and Cameron Stewart
