camaraderie the military gets it why doesn't the body of believers have you ever stopped to think about the drastic importance of your position in the kingdom of God during these uncertain times this book will present a dynamic compelling and biblical perspective to the believing community that will change not only your outlook but your heart as you journey to the depths of God's heart this book is communal in its approach this is a powerful tool in building unity in marriages families and the body of believers in an age that so desperately needs the strength that unity offers but most of all this book is about your heart it reveals hidden truth through in depth word studies that will supplant latent and obvious doubt with life altering trust so that your faith can finally move mountains even the mountain of the your heart so rally up for the adventure of a lifetime the journey to the depths of God's heart his heart as a warrior

these vivid oral histories of the lives of three remarkable political activists document a

century of social change movements florence luscomb campaigned for suffrage early in the century ella baker was a civil rights organiser for over 50 years jessie lopez de la cruz a lifelong farm worker was the first woman to organise in the fields for the united farm workers

the mountain is moving describes postwar japanese society and the roles that women are expected to play within it based on interviews with hundreds of women the book examines the education of women marriage and child rearing work outside the house caring for the elderly political power or lack of it and volunteerism morley also examines a diverse and compelling range of stories and novels by and about japanese women revealing both patterns and exceptions morley asserts that the legendary japanese system of white collar labour can only be maintained by the efforts of women who remain at home to care for family in recent years however increasing numbers of japanese women have begun to seek change and empowerment beyond the domestic sphere

explore the mountains of israel and the mountains of montana through the eyes of past and present mountain men and women climb to the top of mount sinai with moses ascend the heights of mount hor with aaron shout from a mountaintop with isaiah ride on a donkey into a mountain ravine with deborah compare biblical mountain ghost towns with montana mountain ghost towns sit on a mountainside with jesus and learn about mountain flowers learn about the maker of heaven and earth through this unique presentation of rocky mountain stories and photos placed side by side with biblical texts meeting god on the mountain is a series of forty lessons suitable for personal study of the bible or as a stimulus for group discussion

in recent years the rapidly growing field of community participation has promised to give people formerly excluded from decision making an influential voice about issues that affect their lives inclusive processes implemented in the united states and internationally have certainly given community members new opportunities to participate and be involved but how effective are these processes in promoting the voice and influence of the people who have historically been excluded the most the poorest least educated and most marginalized residents in communities of the various participants who have a seat at the table whose voices are influential whose aren't and why this book summarizes how five community partnerships working with a team of researchers attempted to answer these critical questions investigating 10 cases two from each community partnership the study tracks the ideas of everyone involved and reveals how and why the ideas of marginalized and ordinary residents were far less likely to be influential than those of people with more clout resources or acknowledged expertise finally the authors explain how and why these influence inequities can be overcome providing readers with practical evidence based tools to help them do so the book should be helpful to readers involved in any form of active community participation from participatory research to civic engagement deliberative democracy and community initiatives instructors considering this book for use
