the adventure holiday of a lifetime it had been billed as the holiday of a lifetime a destination with everything a holiday maker could possibly want there were towns and cities where they could shop until they dropped and beaches clubs and nightlife with all kinds of exotic food and drink and anything else they might feel like trying there were desserts that stretched into infinity mountains that scaled incredible heights and seas that could challenge even the most jaded pallet for those of a quieter persuasion there was an abundance of gently rolling countryside in which to relax so just where did it all go wrong just when was it that their dream holiday turned into the holiday from hell for many people on our planet this could be said to be an apt description of their journey through life from the pain of individual relationships to the devastation of natural disasters and wars it's no wonder we sometimes question the reasons we are here the holiday from hell describes our spiritual journey from the beginning of our holiday on the earth plane to the end of our time in this

there is much violence in the old testament both human and divine christians and non christians react differently to what they read about the god of the old testament some people are so affected by the violence found in the old testament that they give up on god stop going to church and reading the bible and eventually lose their faith others are offended by divine violence and seek to find an alternative explanation for the violent acts of god in the old testament a popular alternative in the twenty first century is to return to the second century and adopt some form of marcionism and make the god of the old testament to be a different god from the god revealed by christ in the new testament the purpose of this book is not a defense of god and his use of violence the author seeks to understand why god acted the way he did and to understand the reason for divine violence in the old testament yahweh did use violence in his work of reconciliation however the use of violence was necessary when everything else failed israel provoked god to anger when god brought judgment upon his people he did so with tears in his eyes
