a delightful rhyming picture book that s perfect for any little dragon or child getting ready to start school

only the threat of losing her brother could force ariel johnson to break out of her predictable existence and into the stronghold of a changeling s ancestral estate following him from a mystical island to a remote appalachian resort she s trapped between sibling loyalty and an unquenchable desire for a lover who is both beast and man but when cameron drake s inner beast is awakened by the beauty he would claim for his perfect mate his human side is not so easily convinced for he knows ariel is in the pocket of a sorcerer who wants his family dead there are no easy choices for a woman who has yet to embrace her power within and when love is wrapped in a curse all will pay to play

wentworth webster published basque legends in 1877 also included in this volume is an essay on the basque language 1876 by julien vinson and an essay on basque poetry

it is in the very first rank of imaginative and historical romance the time and scene of the noble story are laid in the middle ages during the conquest of pagan lithuania by the military and priestly order of the krzyzacy knights of the cross and the story exhibits with splendid force the collision of race passions and fierce violent individualities which accompanied that struggle those who read it will in addition to their thrilling interest in the tragical and varied incidents gain no little insight into the origin and working of the inextinguishable race hatred between teuton and slav it was an unfortunate thing surely that the conversion of the heathen lithuanians and zmudzians was committed so largely to that curious variety of the missionary the armed knight banded in brotherhood sacred and military to say the least his sword was a weapon dangerous to his evangelizing purpose he was always in doubt whether to present to the heathen the one end of it as a cross for adoration or the other as a point to kill with and so if poland was made a catholic nation she was also made an undying and unalterable hater of the german the teutonic name and person goodreads

the present volume professes to give the history of china in a form that is new to the english reader it is not a compilation gathered from all kinds of sources but a reproduction from the original of the standard history of china that work and the writings of confucius and mencius are the only authentic sources from whence the story of the empire can possibly be obtained many writers during the long ages of the past have written the history of their times but they are unreliable and valuable only in so far as they agree with the accounts contained in the above standard work preface
