six years after publication of the first edition of the best selling encyclopedia of terrorism much has changed on the national security scene despite the dark promises of osama bin laden following the 9 11 attacks the united states has not experienced any major domestic terror incidents al qaeda itself is believed to be a severely crippled organization but while u s wars in afghanistan and iraq not to mention the arrival of the obama administration a

new balance of power within congress and an increasingly fragile economic picture have significantly affected the national security picture the threat of economic chaos and massive loss of life due to terror attacks has not abated indeed in july 2008 analysts pointed out that even a relatively small terrorist organization could present a dire threat with some experts arguing that a biological chemical or even nuclear attack on a major u s city is all but inevitable in this highly charged rapidly shifting environment we are pleased to present the the sage encyclopedia of terrorism second edition a thoroughly updated and expanded edition of the original highly regarded reference work nearly 100 000 words of new material will be added along with fully updated original entries and expanded coverage new introductory essays will explore the impact of terrorism on economics public health religion and even pop culture ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over fisa legislation and guantanamo bay will also be covered two dozen entries on significant recent events such as the london bombings chechen attacks on russian interests and the rescue of ingrid bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers

the boko haram insurgency in nigeria should be seen as both a phenomenon and as an activity as a phenomenon it should be seen as expressions of injustice and de development in nigeria and as an activity it should be seen as expressions of violence and destruction to satisfy orgiastic aspirations especially in some northern parts of nigeria again as a phenomenon the coverage of boko haram is the entire nigeria while as an activity it has turned northern nigeria into one boiling cauldron with fear being personalized while insecurity lurks in the streets with boko haram the sword of damocles now hangs on every head especially in the northern region this deadly scenario provokes soul searching questions why is nigeria constantly enmeshed in deadly conflicts what conditions fertilize social violence in our societies what were the warning signals or accumulation of combustible materials that were ignored

what conditions could engender peace and security in a plural society like ours are the violence entrepreneurs engaging nigeria in conversation or are they determined to crack its history is nigeria sitting on a keg of gunpowder are nigerian youths dissatisfied with the political economy of nigeria is the aggression of the boko haram a product of frustration religious messianism or terrorism how can the swords of damocles in nigeria be turned into ploughshares and how can the phenomenon of boko haram in nigeria and its activities in some parts of northern nigeria be stopped these are some of the questions which the book tries to provide answers for

this book offers an introduction to security studies it features an impressive breadth and depth of coverage of the different theoretical approaches to the study of security and the ever evolving range of issues that dominate the security agenda in the 21st century
